

CLASSIC

A LOOK AT STATUARY AND
ITS MERIT AS PUBLIC ART

DESIGN

NYALIC[®]

Clear Surface Protectant

**An indigenous story of rain and
big water drops - with water
depth markers, all created in
blue and shiny Nyalic coated
aluminum**

This is a fully solar powered installation covering an area of several acres. It is surrounded with a large lake... Combine the grand scale with local plant life and native birds this makes for an ever changing civic art installation which is eco-friendly.

Nyalic has kept this installation maintenance free

**EXCEPTIONAL FOR THOSE WHO
STOP, READ
AND UNDERSTAND...**
