

# ONCE AROUND THE WORLD NOW READY TO GO AGAIN

Yes, round the world solo non-stop once already - back to port for a tidy up and on for the next adventure.

A Nyalic coated mast which is as perfect now as it was when it shipped out the first time...

Now preparing for a "round Pacific" voyage

At 44 feet, this is a well proven sea boat with effective Nyalic clear corrosion protection on her mast - her skipper reports no delamination and damage!

## A WORLD TRAVELLER

Nyalic is the perfect solution for yacht masts and spars. Well proven on all sized yachts - from Ron Holland super-yachts to that small club dinghy...
